Subject: Action Request - Draft Email from Chris H to Chad McIntosh and Scott Mason (RTOC/TELS Follow Up Invitation)
Importance: High

[CHRIS / MICHELLE – Below is a draft email RAD would like you to transmit to Chad McIntosh and Scott Mason providing a follow up invitation to OITA and AIEO's regarding participation in next week's RTOC meeting and the upcoming Tribal Environmental Leaders Summit. Stacy Murphy sent the original invitation and we'd like to send this follow up to provide some additional details on topics for which it would be ideal to have OITA/AIEO representation. AIEO Director Mason provided a general affirmative response to Stacy but our hope is that a follow up from you will ensure Chad/Scott participate on these key discussions. Please let Stacy and me know if you have questions.]
